

CONCRETE CLEANER & DE-GREASER

(Original OLD SOUTH formula)

DESCRIPTION

Super Seal's Concrete Cleaner & De-greaser is a full strength cleaner designed to remove oil, dirt, grease, and wax from concrete. Super Seal's Concrete Cleaner & De-greaser is biodegradable and safely replaces flammable solvents.

INSTRUCTIONS

Dilute 1 part Super Seal's Concrete Cleaner & De-greaser with 3 parts water. Initially treat toughest stains and scrub with brush or stiff-bristled broom. Apply to remaining area. Let stand three to five minutes then rinse thoroughly with water.

For protection against future stains, use one of the following Sealers. SUPER SEAL-25 NY is recommended for pavers. SUPER SEAL 30 is recommended for exposed aggregate concrete. SUPRME SEAL is recommended for decorative concrete. Use SUPER SEAL-B on broom swept concrete and SUPER SEAL A-Coat on smooth troweled concrete. For a water-based sealer use SUPER SEAL-M for plain concrete where no sheen is desired

CAUTION

Do not mix with other products. Use protective gloves and safety glasses when handling. Avoid contact with eyes and prolonged contact with skin. Do not take internally.

FIRST AID

EYES – Flush 10-15 minutes with clean water. Call a physician.

SKIN – Wash thoroughly with water. If irritation develops, seek medical attention.

INTERNAL – Contact physician or Poison Control Center immediately for instructions. Drink 1 glass of lemon or grapefruit juice or other acidic juice.

KEEP OUT OF REACH OF CHILDREN

Manufacturer liability under any expressed or implied warranty is limited solely to the refund or replacement of the product and does not include labor or other consequential damages. The suitability of the product for any intended use shall be solely up to the user.
